facts and every day happenings. Now F. R. Stutzman, who has for some time please, my dear, don't write us any more been connected with the Hutchinson anonymous notes, but come and look us News, called yesterday. Mr. S. had never in the eye and tell us what you think and been in. Wichita until yesterday and he you will find one of the most easily persaid he must admit that next to Kansas suaded auditors that you ever wasted your City we are decidedly the most metro- breath upon. politan place in the west, of which he had any knowledge, while not as large as Denver nor probably doing really as much board of trade of Cincinnati and the president of the Market National bank, who wholesaling as Omaha or Galveston yet for city ways and spirit Kansas City alone has proved such a fast friend of Wichita, could brag over us. As a supply center, present and future. Mr. S. expressed the in answer to an acknowledgement made by resolution by our board of trade, reopinion that the proposition didn't call for plies to President Oliver:

Judge G. Z. Adams, of Boston, who has have been of any benefit to a deserving been spending two or three days in Wich-ita, called yesterday in company with paid in that I have had an opportunity of President Oak Davidson, of the Citizens showing to the people of the Ohio Valley bank. Judge Adams, who is a member of and central states what enterprise and the noted New England family of that name and a representative of a large aggregated capital, expressed himself as being pleased not only with what Wichita unlettered child of the plain and the now metropolis of the southwest, with a future fled with her promise as the future city of that cannot be in the minds of the most Kansas, whose prosperity would be very sanguine estimated. The day is not relittle effected by the greatness of Kansas note when Wichita will indeed be recog-City, two hundred and twenty-five miles nized, as she will deserve and command away. Judge Adams, who is the seventh to be the "Peerless Princess of the Plaine. great New England capitalist who has visited Wichita within ten days, and who is, we believe, still of the Boston bench, is would be grateful to any one finding them a gentleman of fine personal presence. if he would leave them at the police court. I noon. It resulted in his being fined \$1.

AND THIS ABOUT OUR MATTERS.

Will not be a Matter of One or Two Hundred Thousand, J. O. Davidson leaves for the east this norning, to be absent for some little time n New York, Boston and other eastern cities. He goes on business, a business of nagnitude, involving at least one great enterprise directly affecting the future of this city—one which is the culmination of nany Months earnest, cereful and comorehensive work of himself and others, whose names, if we could give them, would he a guaranty of success. In short, as soon as the board of trade shall have met the calls of contracts already concluded, and finds her decks clear and untrammeled then matters will be developed which will make clear not only the mysterious purhases and condemnations of last summer, the Oklahoma move, the late visits from New England capitalists, etc., etc., but there will come such a rustling from the big bend up to the Burton car works, and from Fairmount to Garfield university, as was never witnessed, for it will be made up or M. E. church, sermon by Rev. S. L. Hamilrather will be the result of a combination of a number of more stupendous enterprises and interests than were ever concentrated in any one season in any western city, whatever the name or in whatever state. It was since ely hoped by the board of trade directory that such promptness would be evinced as would have enabled to close and clear up all the matters and interests which they had arranged for, including the packing business, before their time expires and a new board elected-which no doubt will be almost entirely new in its membership-but things have dragged and unexpected hindrances as to location, etc., have arisen. But for these things everything would Ettie Diemer, Della Swank, Addie Baker, have been ready for publicity by the holidays. However, matters are moving Brooks, Frank Johnson, Bob Reed, W. W. along and the end is in sight. These Taylor, Lewis Ward and Oscar Southwell. cover. Price \$1.00, sent by mail postpaid to any address upon receipt of \$1.07. WANTED AT PEABODY.

The city marshal Friday received a telegram from Peabody asking him to make the arrest of two persons of whom a de-scription was given and hold them. Officer Burrows went over immediately to the Pacific Express company and there found one of the parties endeavoring to get from the office a valise. He said that the second party wanted, whose name is Silks, was on the was to the city on horse

The man was taken in charge and said that the valise and the horse had been stolen from him by Silks and that he had come here to recover the property. He spent the day looking for the second man and at last when Silks did arrive he was

taken in charge by the officers.

The city marshal was at some what of a loss to know how to act until last evening when he received another telegram telling him to hold both men. With the arrival of the Peabody authorities light will no be thrown upon the offense for which they were apprehended.

A QUEER REVENGE,

Yesterday morning Father Casey was somewhat surprised to find that sometime in the night the windows to the school building had all been broken out. Besider the broken window glasses there were seen around drops of blood, and these leading to the home of Mr. Drier, near by, it was believed that he was the person who had committed the wanton destruction. What strengthened this belief was the fact that the day before some of the First M E. Church, between Second and boys, after school, while playing foot ball, Third on Lawrence—Preaching morning and evening, subject for evening, "Divine" Mr. Drier's house. He became very angry Retribution," Sabbath school at 3:30 p. m. and retused to give up the ball until an Olivet Congregational church, South action in replevin was commenced. He was arrested by the city marshal, but Minuis pastor, Sabbath services at upon promising to repair the damage done

BUSINESS MEN'S CLUB

There is being organized what is to known as the Business Men's club. It is proposed to limit the membership to two hundred with a fee of \$100 each. The gentlemen who are taking an active part in the organization of the club report that there is no doubt of the success of the scheme. It is designed to enroll the leading business men of the city, have very desirable quarters supplied with facilitie make the club to all intents and purpose similar to clubs of similar name in other

Our stock is now almost complete and we can this year offer a most carefully selected stock of standard sets in cloth and fine binding. Dickens' complete works, handsomely bound in cloth for \$6.00, the biggest bargain of the season, only a few sets left. MacCauley's England, 5 vols., \$1.35 per set. Scott, Thackery, Bulwer, Cooper Irving, Elliott and others at equally low prices. One fact in relation to these sets we wish to call special attention to: The quality of print, paper and
